

FOSS TRACK SPOTLIGHT

In The Spotlight.

PRODUCT DESCRIPTION

MOUNTING	TRACK SPOTLIGHT
LIGHT SOURCE	LED
LIGHT DISTRIBUTION	DIRECT
MATERIALS	ALUMINIUM

The minimalist design of the FOSS Track makes it a perfect lighting solution achieving a clean look in contemporary architecture. It has all qualities for setting new standards in track lighting.

Using one or multiple optics to diffuse the light, the FOSS Track offers a high visual comfort improving the well-being in workplace.

The contemporary and unique design of this track lighting can turn into design element of your commercial scheme. The FOSS is available as a Wallwasher or a Spotlight, great for general lighting in circulation areas and breakout spaces or suitable for cool office lighting or architectural lighting for spaces with high ceilings.
