80105068 green
NCS: S3010-G10Y
135x40x84, 3D

i Tops, shelves and leg stand

One of our jubilee models has a top in contemporary Carrara marble. As Carrara marble is a natural material, there may be some variation in appearance. The Base is painted in the same colour as the storage. The high metal leg frame model has a top painted in the same colour as the furniture. All the shelves in the storage are painted in the appropriate matching colour.
