An extensive range of melamine faced panels designed for our movable walls.

Ultimate Flexibility

With over 40 plain colours, 30 woodgrains and a selection of metallic and texture effects, the Duhospan collection offers a comprehensive solution to the industry.

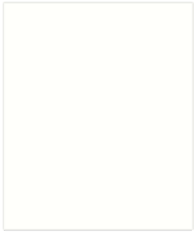

Duho span combines quality, durability and design to offer an extensive range of commercial and original finishes.

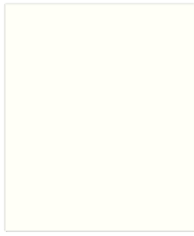

Digital Printing

With Duho-Digital we can take any image and process it to a range of melamine faced surfaces. You can supply your own imagery, be it photograph, pattern, logo etc. or request something unique from our studio.
