

Special Features

- ▲ HYGIENIC VANDAL RESISTANT DESIGN
- ▲ NEAT COMPACT SIZE
- ▲ COMPLETE WITH APRON SUPPORT

Description

The robust and neat mini wash basin is ideal for installing in areas subject to health regulations relating to hand washing, but where only limited space is available. The basin is also suitable for use in individual toilet facilities, in particular those used by disabled people.

Construction

The mini wash basin is manufactured in one piece without joints or crevices from grade 304 stainless steel, with all exposed surfaces polished to a satin finish. A rear upstand is incorporated as an integral part of the basin top. The mini wash basin is produced with two tap holes and is supplied as standard with an apron support and an unslotted waste fitting, plug, chain and stay.

Note: Taps shown are for illustration purposes only and are not included.

Options

- ▲ Stainless steel tap hole blank
- ▲ Water controllers, taps and valves
