

STONEWOOD® COLLECTION LOOKS LIKE WOOD, LASTS LIKE STONE

Imagine a range of garden features that offer all the aesthetic appeal of wood, but which also provide the durability of stone. Welcome to our Stonewood collection, a superbly realistic range of planters, stepping stones and sleepers that give you all the stunning natural charm of wood and all the long lasting reliability and maintenance free convenience of concrete. The planters are easy to assemble, slotting together in seconds without the need for glue or mortar. Beauty and practicality working together in perfect harmony.
