- › Perfect in both small rooms, large rooms and open spaces
- › Designed by Paul Linse in 2012

_AHREND UNIT

Paul Linse

 **ahrend**

Designer **Paul Linse**

“The word ‘unit’ has two different meanings, one being a social group and the other being a molecule. The smallest part of the Ahrend Unit is the chair – when extended it is a seating unit that can be flexibly put together.”

RANGE

_AHREND UNIT

Corporate Social Responsibility

Ahrend is the most sustainable company in its sector in Europe. It aims to close the full production loops and engage in climate-neutral manufacturing by 2020, using the principles of Eco Design and Cradle-to-Cradle. The key element in this is the efficient use (and reuse) of materials.

Ahrend. A Cradle to Cradle company
Creating safe products and healthy environments
