Product details

900mm Tall.
Ragged Posts 300mm below ground.
Plastic cap.
Galvanised steel finish.

Installation & use

Flanged fixed posts require bolting down to a suitable concrete surface (no less than 300mm cube) by means of three M12 bolts.
Ragged fixed posts are supplied with welded fixing spikes to ensure firm ground anchorage.
Ragged posts require a hole of at least 300mm deep for casting into concrete.
This product is guaranteed for 12 months (*if installed and used correctly*).
