Chameleon quality

The core of the Chameleon range is formed by the whiteboard. A Chameleon whiteboard can be recognized for its quality, which is visible in four ways:

1. Durability: Chameleon whiteboards are 10 mm thick with a robust, water-repellent MDF core (FSC-certified, see sustainability).
2. Surface: Chameleon whiteboards feature high-quality magnetic ceramic steel, recognizable by a smooth surface without imperfections. We offer a lifetime warranty on writing and erasing on all ceramic steel surfaces. Below is an overview of our ceramic steel surface options.
3. Finish: Chameleon whiteboards are machine-cut and then hand-finished. We pay great attention to the finishing process.
4. Installation: Chameleon uses a unique TÜV-certified mounting system that works with magnetic plates.

Type	Surface + code	Colour	Description	Writing / erasing	Panel edge colour	Maximum dimension
High Gloss	High Gloss HG100		Most popular whiteboard surface with a high gloss finish	Whiteboard markers / dry erase	White lacquered	1480x2980 mm
	Satin Snow S200		White whiteboard with a somewhat matte surface, also suitable for projection	Whiteboard markers / dry erase	White lacquered	1180x2980 mm
Satin Tones	Satin Stone S201		Grey whiteboard with a somewhat matte surface	Whiteboard markers / dry erase	Grey lacquered	1180x2980 mm
	Satin Aqua S202		Blue whiteboard with a somewhat matte surface	Whiteboard markers / dry erase	Blue lacquered	1180x2980 mm
	Satin Leaf S203		Green whiteboard with a somewhat matte surface	Whiteboard markers / dry erase	Green lacquered	1180x2980 mm
	Satin Almond S204		Beige whiteboard with a somewhat matte surface	Whiteboard markers / dry erase	Beige lacquered	1180x2980 mm
	Satin Blossom S205		Pink whiteboard with a somewhat matte surface	Whiteboard markers / dry erase	Pink lacquered	1180x2980 mm
Chalk	Chalk Graphite C300		Colourfast, durable surface with a soft and even colour distribution	Chalk / dry erase	Black lacquered	1180x2980 mm
	Chalk Canopy C301		Colourfast, durable surface with a soft and even colour distribution	Chalk / dry erase	Black lacquered	1480x2980 mm
Projection *	Projection		Very matte surface, suitable for projection	Whiteboard markers / wet erase	White lacquered	1480x2980 mm

* Not included in product-level prices. Price on request.

Chameleon surfaces

What is Ceramic steel?

All Chameleon surfaces on this page feature a top layer of ceramic steel. This is an enamel layer that is comparable to glass in terms of hardness and smoothness. Thus, it is equally scratch-resistant and has the same long lifespan. Chameleon offers the following ceramic steel surfaces:

High Gloss

This is the best-selling whiteboard surface. The surface has a high gloss level, though not as high as glass whiteboards. The advantage of the glossy surface is that markings are perfectly visible on it. This makes it ideal for presentations and situations where reading from a distance is necessary, such as in schools.

SatinTones

SatinTones is a ceramic steel surface with a matte appearance. The surface radiates calmness and is perfectly readable from all angles. Moreover, this surface is available in six subtle colour shades. SatinTones is a good alternative to glass whiteboards.

Chalk

Choosing a chalkboard has specific reasons. The main reason is that nuances can be applied with chalk by pressing harder or softer. The Chameleon chalkboard surface is, like the whiteboard surfaces, made with ceramic steel. As a result, Chameleon chalkboards are also perfectly erasable for life. The matte surfaces are available in green and grey.

Projection

This extremely matte surface shows no reflections at all. Projecting onto this board provides the best possible image quality from projectors. The board is writable, but erasing is significantly more challenging. However, using whiteboard spray when erasing will clean the board effectively.

1.2 Sharp Wall

Writing / Whiteboards / Sharp Wall

Large writing wall in its most basic form, with right angles and without a frame. The edges are finished in white. Thanks to the razor-sharp edge finish, the panels fit together precisely with minimal seams. This Sharp Wall is available in 4 different sizes and 5 surface options. It can also be combined with Sharp Acoustics, see pages 32 - 33.

Size (cm)	Art. no.	Amount of panels	RRP	
			High Gloss	SatinTones / Chalk
198 x 236	16006.030 (+ code)	2	€1.324,50	€1.457,00
198 x 354	16006.031 (+ code)	3	€1.986,50	€2.185,50
198 x 472	16006.032 (+ code)	4	€2.648,50	€2.913,50
198 x 590	16006.033 (+ code)	5	€3.310,50	€3.642,00

1.7 Custom whiteboard wall

Writing / Whiteboards / Custom whiteboard wall

Every organization is unique. With a Chameleon custom whiteboard wall, this uniqueness can be accentuated. Create a magnetic writing surface with complete freedom in shape and size. It allows you to think big and unleash your creativity.

You can:

- Make it wall-filling (precisely in millimeters, keeping in mind to allow for some flexibility due to uneven walls).
- Add creative shapes, such as a skyline at the top.
- Include your logo as a cutout with a full-colour print behind it.
- Have a cutout made for a TV screen on or within the whiteboard.

A quotation is provided for this product.

5.1 Starterkit Deluxe + accessories

Accessories / Starterkit Deluxe + accessories

Every component of the Starterkit Deluxe is magnetic. Markers, eraser sprays, and microfiber cloths can be hung anywhere on the whiteboard. For frameless whiteboards (Sharp, Curve), Chameleon offers a transparent design holder for markers as an alternative. This holder can be attached to the bottom of the board using an adhesive strip (this product is not magnetic).

* For glass boards, we offer a separate starter kit, see page 86.

Art. no.	Description	RRP
14017.113	All-magnetic accessories kit for whiteboards, 4 magnetic boardmarkers, 1 magnetic cleaning spray, 1 magnetic cleaning cloth and 10 cylinder magnets	€ 57,00
14016.230	Magnetic markerset for whiteboards, set of 4, black, red, blue, green	€ 12,00
14031.110	Magnetic cleaning spray for whiteboards (2x 120ml + clip)	€ 30,00

5.4 Add-Ons

Accessories / Add-Ons

These magnetic whiteboard accessories combine style and functionality, making them a versatile addition to any whiteboard or whiteboard wall. They keep your equipment, such as post-it notes, tablets, phones, or even coffee mugs, right at your fingertips. You can also use them to display inspiring magazines or trendy plants, adding both organization and aesthetics to your workspace. Chameleon Add-ons are always useful!

The Chameleon Columniser is a practical magnetic tool for drawing straight lines with markers, which can be used as tables or scrum boards. The Chameleon Scrumkit column cards fit perfectly within these lines, adding to their utility.

Art. no.	Description	RRP
14021.201	Chameleon Columniser	€ 77,50
14021.202	Chameleon Stack Box	€ 49,00
14021.203	Chameleon Magazine / Pad Stand	€ 45,50
14021.204	Chameleon Cup Holder	€ 30,50
14021.205	Chameleon Coat Hanger	€ 32,00
