MONARCH LITTER BIN

DETAILED DESCRIPTION:

Pure and simple value for money, the Monarch litter bin is suitable for a range of locations, either in or outdoors.

Fully open 'topped' for easy "walk-by" access and with a generous 85-litre capacity. The Monarch is fitted with a drop in liner so no disassembly is required for emptying. The easy clean surface makes this the ideal cost effective litter solution.

The Monarch litter bin can be manufactured in any colour to complement existing street scenery: some customers opt for bright colours to ensure the bin stands out – an ideal choice for parks and play areas.

All of our bins are of a leading design. We work closely with customers to provide the very best solutions for litter and waste collection.

PRODUCT SPECIFICATION:

PRODUCT REFERENCE

Monarch Litter Bin
