Manta

COLLECTION

Manta, a luxurious soft seating collection by Lyndon by Boss Design, takes further steps in blurring the distinction between workplace, hospitality and domestic environments.

Expertly

CRAFTED

*Pushing, pulling, tightening,
straightening, fastening, zipping –
the art of upholstery is an art of the
hands, working together to craft a
beautifully finished shape.*

Material

CHOICES

Lyndon is renowned for combining upholstery and timber to create simple uncluttered lines.

Manta introduces a further refined finish, offering top stitching as standard and a choice of leg finishes, taking this collection to another level in terms of design excellence.
