OUR MYRIAD

One Range. Infinite Possibilities.

With the increasing need for flexibility in the workplace, Myriad allows you to create a comfortable meeting area, private huddle space or stunning islands and chains.

Perfect for the learning sector, public areas and workspaces, the possibilities are truly infinite with this versatile range.

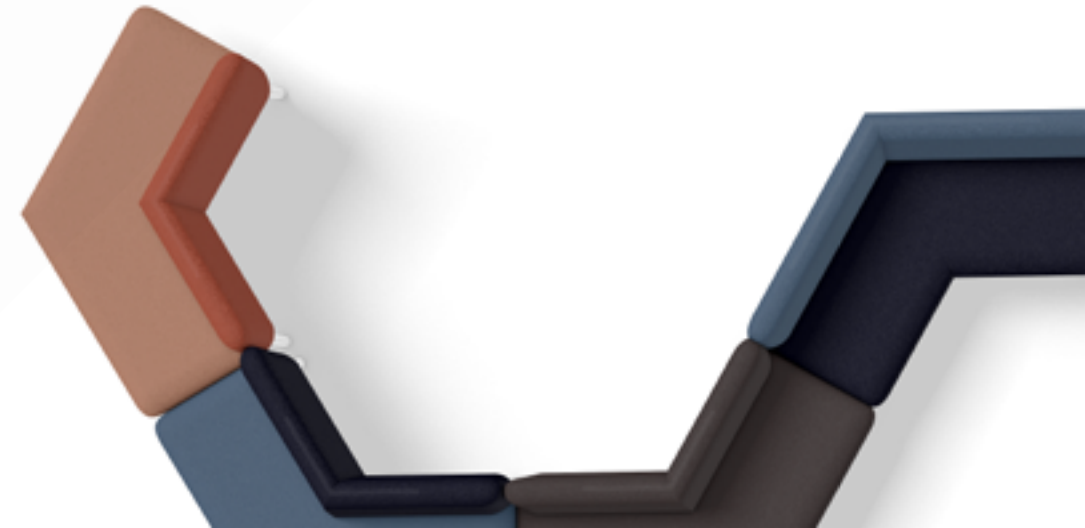

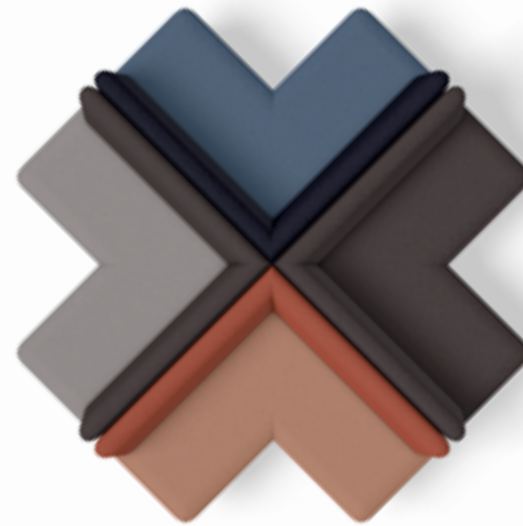

Myriad is a diverse selection of upholstered modular furniture, completely flexible and reconfigurable. The range is made up of eleven linkable seating units, three privacy screens, side tables and arms that accommodate power.

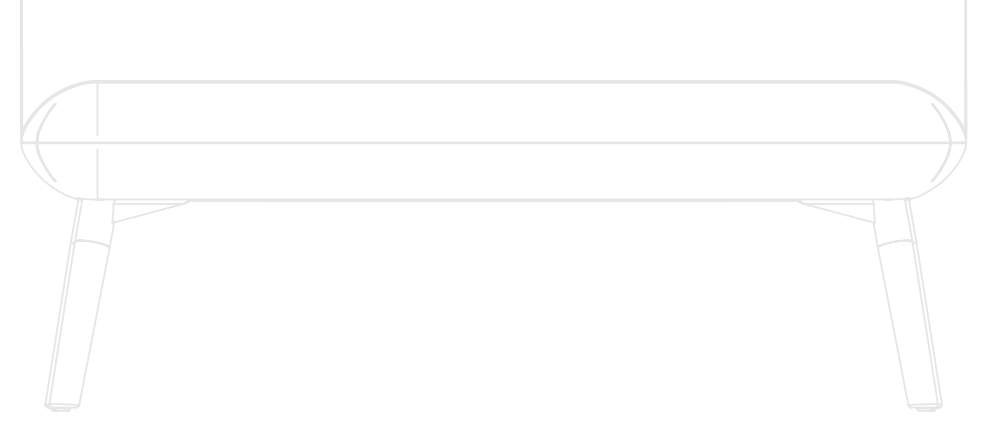

OUR RANGE

Our talented in-house upholstery team deliver superior quality, giving you an infinite choice of fabric configurations alongside painted cast aluminium, tubular steel or European Oak leg finishes guaranteed to enhance any interior space. You become the designer with Myriad, arranging the versatile modules to create any shape you desire.

MYRIAD.SPACE

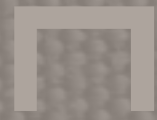

AUD

Two heads are better than one. We all know when people come together to communicate and collaborate, the best ideas are generated. Myriad has been arranged into optimum settings to allow small and large groups to work together, providing comfort and power options.

Combined with our portable media unit; Portal, you can create the perfect group presentation or discussion area.

Softening the working environment and fusing the workplace with the home, huddle spaces promote teamwork and collaborative working.

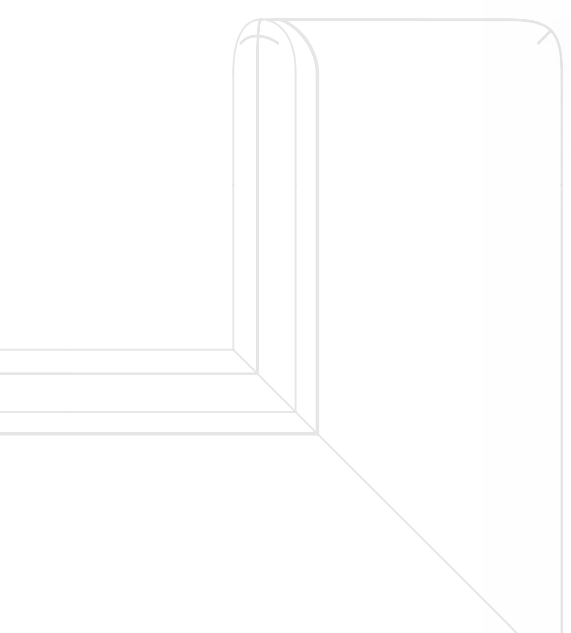

ISLANDS

ISLANDS

As a place to congregate and discuss ideas, or as a touchdown zone, Islands support the work anywhere philosophy. Islands also create a fantastic central focal point in atrium spaces, providing interesting geometric shapes and an area of interest.

Whether you're designing a breakout or informal collaborative area, Myriad allows you to create the ideal setting.

CHA

AINS

Make the most of your environment with a Myriad chain. Modules can be mixed, linked and easily moved around, offering you infinite possibilities for your dynamic and collaborative workspace. Chains offer the perfect seating solution to public spaces, large atriums or universities where private work or quick touchdown areas are required.

Myriad Chains are ideal for public spaces, offering integrated power and data connectivity. The modules can be linked together to provide an endless configuration for spaces where traffic is high and there is a need for extra seating.

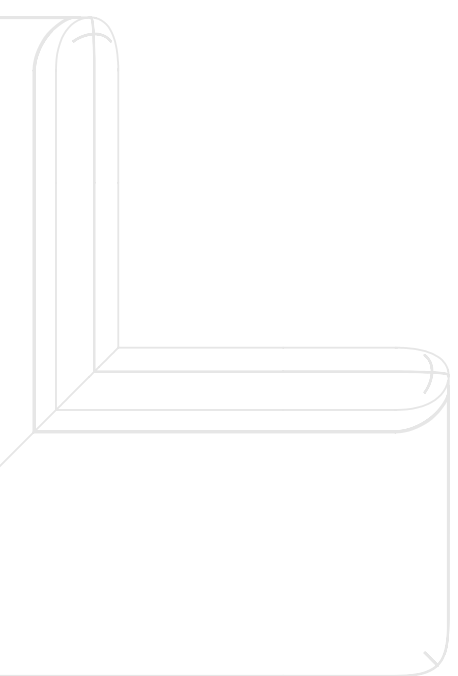

EXT

DRAST

You can easily mix and match Myriad with products from across our portfolio. From Portal media units, to Flamingo tables, you will find a whole host of products to really style your space.
