

RENAISSANCE

Wood Venetian Blind Specification

Wood Venetian Blind

Available in 7 colourways: White, Natural, Sugar Maple, Pecan, Walnut, Oyster and Chocolate.

Three Slat sizes available: 24mm, 35mm and 50mm

Colour co-ordinated cord control for tilt and lift

Heavy duty quality cord – more durable and therefore less likely to fray, increasing the lifespan of the blind.

Safety end caps to strengthen headrail and giving a neater finish

Can be ceiling and wall fixed

Blinds include a matching wooden valance

Cut to customers specific sizes.

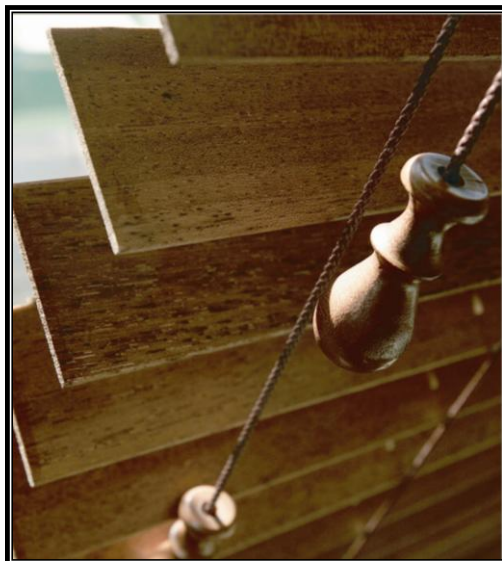

Width available between: 30cm and 240cm

Drop: Up to 240cm

Aluminium headrail

Blind maintenance

We recommend that blinds are kept clean and where possible dust free. To prolong the life of the blind, we recommend that moving parts are lubricated regularly with a silicone or Teflon lubricant. These can be purchased inexpensively from Renaissance. We recommend that the blind is dusted using a Renaissance Blind Duster.

Supplied by Bruva – ISO9001 registered firm.

bruva, THE OLD MILL, MIRY LANE, KIRK LANE, YEADON, LEEDS, LS19 7ER.
