Features:

- Integrates with CLD mesh systems
- Cost effective
- Weather resistant
- Choice of colours

Suitable for:

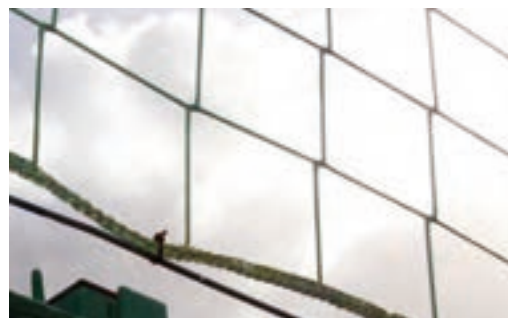

- Schools
- Urban areas
- Professional sports

Description

CLD Ball Stop netting is a strong and durable netting designed for integrating with multi use games areas or for better ball containment within the pitch. This netting is weather proof due to its nylon composition and is ideally suited for all urban and rural applications.

Panel dimensions

Heights	0.5 to 6 m
Width	To suit fence system
