

### Design your Games area

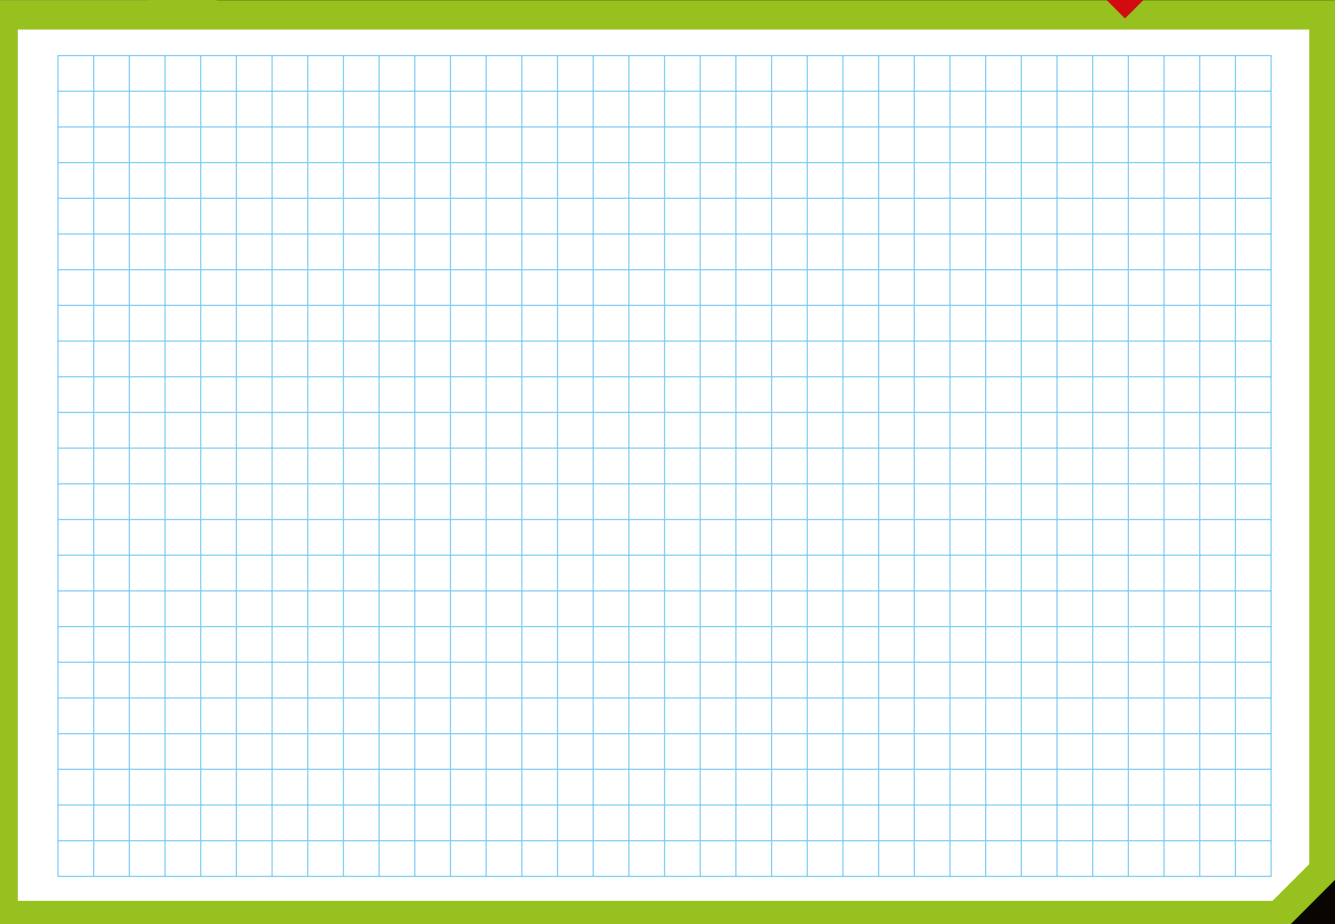

Before starting, consider what you want out of your facility... how many sports do you wish to play together or individually?

You will need to consider the following:

- Overall size
- Spectator area
- Heights
- Access for emergency and maintenance
- Run-off areas
- Pitch security

Why not sketch your design on the grid below and fax or e-mail to obtain budget costings?

## Description

CLD specialise in the manufacture of complete ballcourts from full size rugby pitches to domestic kick about areas. We are able to incorporate a wide range of features that enable multisports to be played in the same location. Players and users safety is of paramount importance and at CLD we ensure that all courts are designed and finished to the highest standards taking into account all the latest regulations and recommendations from the relevant sporting bodies.

## Goal mouths and recesses

Goals and recesses can be formed in the fence-line, incorporating additional rebound sections if required. Fence panels are attached in a protected manner to reduce injury. Basketball goals can be provided as part of goal mouth or fence with stand-alone units also available.

Many options are available as an integral part of the fence system – enabling multiple sports to be played at the same facility.

## Features:

- Robust twin-wire construction
- Rebound panel options
- Extremely versatile build options
- Heights up to 6m
- Can be used for wide range of sports
- Full RAL range of colours available

## Suitable for:

- Schools
- Amenity areas
- Professional sports
