All Domestic Oak Doors are available in the following sizes:
 78"x24" / 78"x27" / 78"x30" / 78"x33" (40mm thick)

In every branch we have a full range of Doors, Architrave, Skirting and Ironmongery to suit your personal style.

At any of our Murdock Builder's Merchants you will find a wide selection of quality traditional and contemporary doors on display in our Doors & Floors Studios at competitive prices.

We offer a pre-finishing service including lacquering to a matt, gloss, mid-sheen or full-sheen finish, or priming. This means you can have your doors, skirting and architrave pre-finished to exactly the same colour and finish to enhance the overall look of your home or office.

Our in-house tool room also enables us to create any profile you want in any timber species you choose for your architrave, skirting and hand rails. The options are infinite!
