

Certificate

Indoor Air Comfort Gold

Synthetic fibers with latex backing

Certified Product

Danfloor A/S

Applicant

The product complies with Indoor Air Comfort Gold requirements for product type, version 6.0 (2017). These include both inspections of factory production according to DIN 18200 and VOC testing according to CEN/TS 16516 and the ISO 16000 series, each in the latest versions, by an ISO 17025 accredited laboratory, at regular interval.

Indoor Air Comfort Gold certification ensures that low product emission requirements are fulfilled and is a sign of the applicant's focus on quality and contribution to a healthy indoor environment.

Details are defined in Indoor Air Comfort Gold requirements, version 6.0 (2017).

Certificate No.: IACG-49-22-06-2017

Date: 11 April 2017

Validity of certificate: 11 April 2022, with frequent surveillance and retesting.

Compliance with Indoor Air Comfort Gold means compliance with VOC requirements on low emitting products of:

Belgium regulation, France VOC class A+, Germany (AgBB/ABG), BREEAM international, BREEAM NOR, LEED outside North America, Italian regulation on GPP (Green Public Procurement), DGNB, BVB (Sweden), GUT, Blue Angel RAL UZ 128, Austrian ecolabel criteria, M1.
