- Air output at 100m/second (adjustable)
- IPX1 rated
- Class 1 rated isolation
- Sound Pressure Level: 77db at the distance of 1 metres, 76.2db at the distance of 2 metres, 69.50db at the distance of 3 metres

**PLEASE NOTE:** We strongly recommend that the surfaces beneath and to either side of this dryer allow regular cleaning (such as smooth cleanable paint, tile, Perspex, stainless steel etc) to prevent staining from the water blown from users hands. New generation high speed dryers such as this are designed to blow the water off the hands so consideration like this needs to be given to deal with the water deposits.
