Create!

100%

Sæt dit personlige aftryk på gulvet

De bløde og personlige tæpper er tilbage i boligens indretning som aldrig før. Med Create! er det dig, der skaber det færdige resultat. Der er ingen grænser. Uanset om du ønsker et kvadratisk, rundt eller rektangulært tæppe, eller måske en helt anden form, så er det muligt.

Karakterfulde design i skræddersyede former. Det er essensen af Create! Skab et tæppe, som passer perfekt til dit hjemms indretning. Du bestemmer helt selv størrelsen og formen.

Kollektionen er skabt i en grafisk stil, som nyfortolker klassiske geometriske former lige fra striber, cirkler og typografier til trekanter og prikker.

Mindre aftryk på miljøet – 100% genbrug

Create! er produceret af 100% recyclegarner og er en del af eges Ecoline koncept, der bygger på bæredygtige principper og enkle linjer.

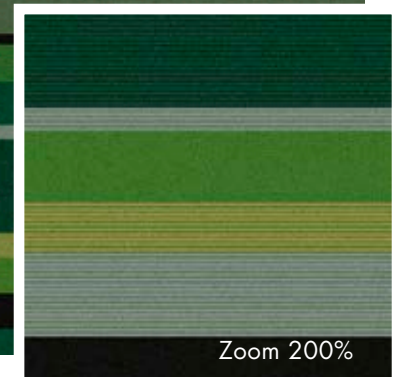

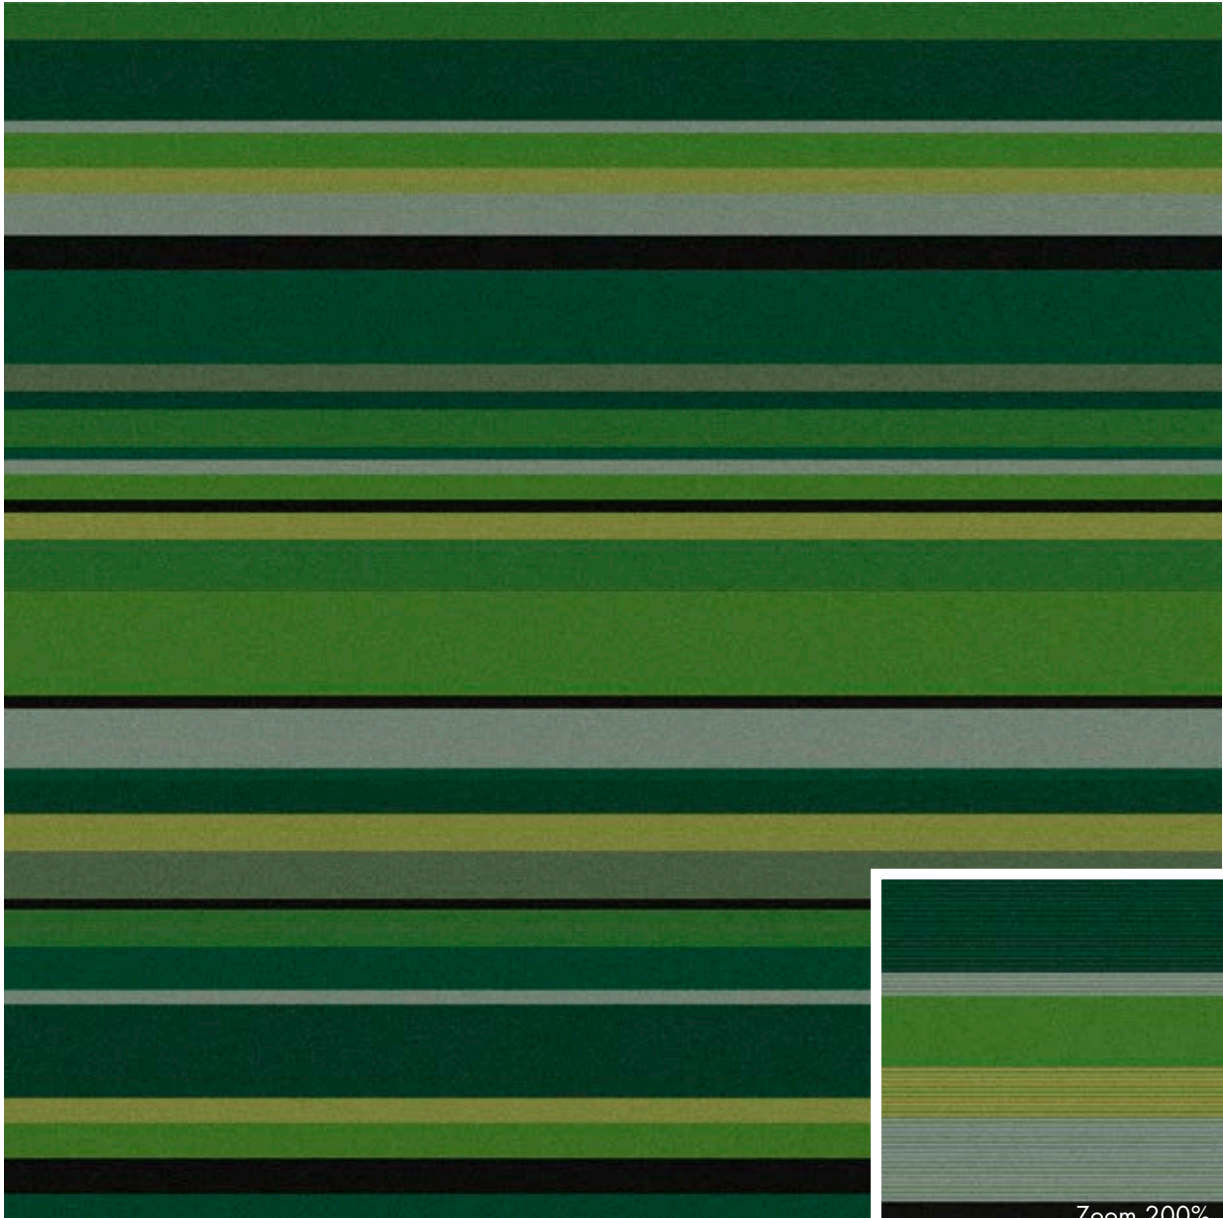

Trænger stuen, soveværelset, kontoret eller børneværelset til et frisk pust, er et løst tæppe fra Create! en nem løsning til at skabe forandring, liv, hygge og atmosfære med omtanke for miljøet.
