Key Features

- Different heights for each table
- Inset countertops to protect corners when nesting
- Four swivel castors and two brakes
- 26 standard laminate and 6 upgrade finishes (on most series)
- Stainless steel or solid wood leg frames (dependent on series)

Fiji

The Fiji series has distinctive wooden slat leg frames that set it apart from the other nesting tables. Particularly suited to a tropical holiday/island style resort, the leg frames are made from painted wood or epoxy coated steel.

The Elite range has 13 finishes of wood veneer which vary in colour from light oak & natural cherry, through satin pecan to stormy birch and black.
