SYRIGANE

TECHNICAL INFO

General colouring	Pink, gold & grey
Country of Origin	Kosovo
Petrographic examination – definition	Limestone
Slab finishing	Polished/Honed/Sanded/Bush Hammered
Application	Interior/Exterior

TECHNICAL SPECIFICATIONS (EN STANDARDS)

	Unit of Measurement	Result
Abrasion Resistance (mm)	mm	20.5
Water absorption at atmospheric pressure	%	0.2
Apparent density (kg m ³)	kg m ³	2700
Open porosity	%	0.6
Flexural strength under concentrated load <i>in natural conditions</i>	MPa	12.3
Flexural strength under concentrated load <i>after 12 cycles of Freeze - Thaw</i>	MPa	11.6
Flexural strength under concentrated load <i>after 48 cycles of Freeze - Thaw</i>	MPa	10.7
