

### Carpets

Project: The Firs Primary School, Sale

“ Genus carpet forms a clean blank canvas for the school’s brightly coloured furniture and fittings. ”

Karen Burman  
Floorcoverings Product Manager

The Firs Primary School is a day school for children aged between 3 – 11 years. Located in Sale, Manchester, the school currently has approximately 180 students.

Genus carpet in colour 'Cornfield' (beige) from Gradus has been installed in the school's nursery and key stage one classrooms. The carpet complements the schools interior and helps to create a fresh and contemporary environment for both staff and pupils.

Genus carpet is produced with Marquésa yarn which is inherently resistant to staining and fading. The fibre is extremely easy to clean and maintain and does not require any harmful topical treatments which makes it ideal for education environments. The unique cleaning benefits of Marquésa help to reduce maintenance costs and improve the lifecycle performance of the carpet.

#### Product Specified:

- Product: Genus (colourway – Cornfield)
- Construction: Tufted Cut Pile
- Fibre: 100 percent Marquésa SD
- Warranty: 15 year wear
