

Carpets

Project: Wetherby Methodist Church

Leisure

“ Installed in the newly refurbished church, Gradus Floorcoverings help to create a fresh and contemporary environment for both visitors and members. ”

Karen Burman
Floorcoverings Product Manager

In June 2011, Wetherby Methodist Church completed a major refurbishment to its entrance area, main congregation area and staircases. The church was refurbished with Genus carpet in colour Ancient Ruby (red) and Black Forest (grey), which were chosen to complement the elegant and modern design of the interior. In addition, Boulevard 6000 secondary barrier carpet in colour Shadow (grey) was installed in the entrance area, helping to remove tracked in dirt and moisture.

The performance benefits of Boulevard 6000 secondary barrier carpet help to prolong the lifecycle of the surrounding floorcovering and help maintain the aesthetics of the building. Genus carpet is produced with Marquésa yarn which is inherently resistant to staining and fading. The unique cleaning benefits of Marquésa help to reduce maintenance costs and improve the lifecycle performance of the carpet.

Product Specified:

- Product: Genus (colourways – Ancient Ruby and Black Forest)
Boulevard 6000 (colourway – Shadow)
- Construction: Genus - Tufted Cut Pile
Boulevard 6000 - Tufted Cut Pile
- Fibre: Genus - 100% Marquésa SD
Boulevard 6000 - 100% Solution Dyed Nylon
- Warranty: Genus - 15 year wear
Boulevard 6000 - 10 year wear
