### NCS colour references

Gradus is a member of NCS (Natural Colour System) and utilises the NCS reference codes shown above each colour. NCS is a user friendly colour language and is the only colour system that describes colour exactly as we see it. NCS is used by professionals as a tool for precise colour communication, selection and specification. For further information visit the NCS website - [www.ncscolour.co.uk](http://www.ncscolour.co.uk)

©Property of and used under licence from the Scandinavian Colour Institute AB, SCI-Sweden se, Stockholm 2004. 'See [www.ncscolour.co.uk](http://www.ncscolour.co.uk) for NCS-standard samples.'

**Please note:** Due to the limitations of the printing process, colours within this leaflet should not be relied upon for colour matching.

An accurate colour match can only be achieved by requesting the relevant product sample(s) from Gradus customer support on 01625 428922.
