

Single point suspension that allows two points to be suspended using one Gripple fastener.

PRODUCT INFORMATION

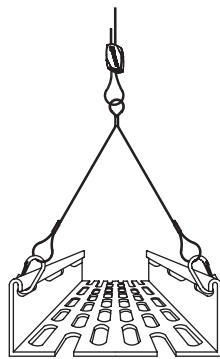

- Two legs improve the centre of gravity and improves stability
- Ideal for services that require maintenance or access when used with a Snap hook end fixing
- Available in the full range of end fixings in Gripple sizes No.1 to No.3 with a 5:1 safety factor
- Y-Fit accessory is designed for use with a Standard hanger kit for longer drops and increased adjustment
- Made to customer specification

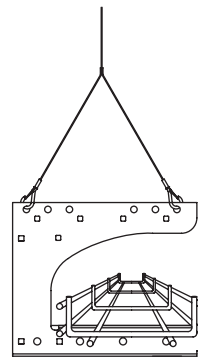

INSTALLATION EXAMPLES

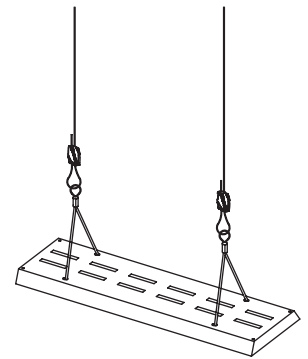

Y-Fit accessory with Snap hook on radiant panel

Y-Fit accessory with Link hook on cable tray

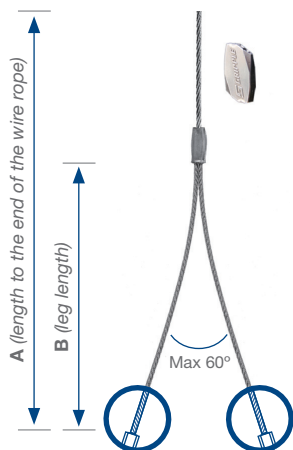

Y-Fit Snap hook on G-Bracket with cable basket

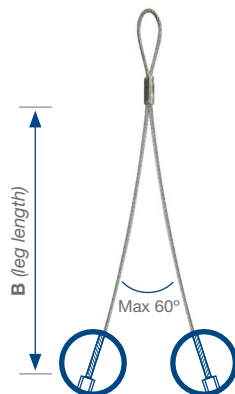

Y-Fit accessory with Toggle on panel lighting
