

NBS Specification – 2013 – Dreadnought Sheet

M50 RUBBER/ PLASTICS/ CORK/ LINO/ CARPET TILING/ SHEETING

186 NEEDED PILE CARPETING:

As a UK manufacturer, Heckmondwike FB offers a wide range of heavy contract, fibre bonded carpet and tiles along with a range of specialist entrance area carpet and tiles. Each product range is available in a variety of colours and finishes providing durable, cost competitive products that are the perfect choice for areas of heavy wear and tear in the education sector, office environments, retail outlets, libraries, banks and similar.

Dreadnought

A range of 11mm thick sheets manufactured with 90% polypropylene and 10% recycled polyester and backed with rubber waffle. The 2.00m and 4.00m wide sheets are designed for use in most building entrance situations.

Dreadnought is available in 10 standard colourways.

Dreadnought is also available in tile format - see M50/146 for details.

Consult with Heckmondwike FB for technical literature and to obtain samples.

Preparation: This item can usually be deleted when the base is new and is mainly intended for existing surfaces. Consult Heckmondwike FB Installation Guide for recommendations and see clauses 460 to 520. Insert as appropriate.

Fabricated underlay: Plywood as clause 560. For use on timber floors only. Complete and include clause 560.

Carpet underlay: Not required.

Carpet:
