

NBS Specification – 2013 – Wellington Velour Tile

M50 RUBBER/ PLASTICS/ CORK/ LINO/ CARPET TILING/ SHEETING

146 NEEDED PILE CARPET TILING:

As a UK manufacturer, Heckmondwike FB offers a wide range of heavy contract, fibre bonded carpet and tiles along with a range of specialist entrance area carpet and tiles. Each product range is available in a variety of colours and finishes providing durable, cost competitive products that are the perfect choice for areas of heavy wear and tear in the education sector, office environments, retail outlets, libraries, banks and similar.

Wellington Velour Tile

A range of 11.2mm thick bitumen backed 50 x 50 cm tiles manufactured with 90% polypropylene and 10% recycled polyester. Designed for use in most building situations, including computer rooms, Wellington Velour is available in 18 standard colourways. Wellington Velour is also available in sheet format - see M50/186 for details. Consult with Heckmondwike FB technical literature for details and to obtain samples.

Preparation: This item can usually be deleted when the base is new and is mainly intended for existing surfaces. Consult Heckmondwike FB Installation Guide for recommendations and see clauses 460 to 520. Insert as appropriate.

Fabricated underlay: **Plywood as clause 560.** For use on timber floors only. Complete and include clause 560.

Carpet tiles: **Non woven**
