**Delivery options** (goods will be shipped to the site address by default)  
If an alternative shipping address is required, or collection from our depot in Sittingbourne is preferred, please state below in additional comments.

**Installation & Survey**  
We can also offer a site survey and installation service if required (subject to additional charges and lead time variations).  
Please ask for details.  
Fixings are not supplied as standard with supply only. If fixings are required please specify below.  
If installation is selected please also specify type of fixings required.
