Trex Transcend® lava rock decking is used on this high traffic communal walkway

The professionals' choice for commercial & domestic projects...

Where an environmentally friendly, low-maintenance, long-life wood alternative decking is required, Trex offers the ultimate solution. Produced from recycled plastics and wood waste, Trex Transcend is fade, stain, mould, scratch and rot resistant and will never require painting or staining.

*create a stunning balcony area
to extend living space outside*

*Ideal for outside areas,
Trex provides a long-lasting,
low-maintenance solution*

Trex® Transcend®

DECKING & RAILING SYSTEM

NEW Tiki Torch

A warm, earthy shade featuring striking rich, reddish-brown hardwood streaking.

Gravel Path

The pristine grey of a period carriage path creates a perfect Colonial look.

Lava Rock

Reddish black hardwood streaking creates a deep and evocative setting for long, hot summer barbecues.

Spiced Rum

The warm amber hue feels rich and earthy adding a touch of the Caribbean to any home.

Tree House

A warm, earthy tone, beautiful with almost any house style or colour.

Vintage Lantern

A deep burnished bronze inspires old world elegance.
