A decking revolution!

THERMALLY TREATED REVERSIBLE DECKING

With over 165 years' experience Howarth Timber & Building Supplies not only provides the widest range of products but also expertise, service and knowledge you can rely on.

We're dedicated to bringing you the very latest innovative products and are proud to introduce Lunardeck, the revolutionary new decking range, now available from your local Howarth Timber & Building Supplies branch.

- Highly stable, reducing potential to warp or twist
- 100% treatment penetration of boards - eliminates insect attack and rotting of timber normally caused by fittings
- Attractive even golden colour gives the appearance of hardwood, without hardwood prices
- Deck board size ex 32mm x 125mm. Suitable for structural situations with joists at maximum 400mm centres
- Full ground or fresh water contact boards and joists (hazard class 4, use class 2) **available to special order**
- Bespoke profiles to your exact requirements available**

**Minimum volumes may apply.

Also available from your local Howarth Timber & Building Supplies
