Apodis Black

Apodis, is the perfect solution for heavy contract installations where form and function is essential.

For more details on suitability or advice on any technical issues, please contact our technical helpline below.

Specification

Wall	Floor	Wet barefoot	Material	Finish
Internal and external	Internal	–	Un-glazed porcelain	Textured

Floor values

Pendulum 4S	Rz	R value	Shade variation	Wet ramp	Traffic
Dry 36+ Wet 25-35	31.2	R11	VI	B	Commercial

Due to the manufacturing process of all floor tiles there may be small variations in slip resistance. Given this we suggest you refer to our website or call our technical helpline for the most up to date information.

Light reflectance properties

Code	Colour	NCS	Reflectance Y
APO01	Black	9000-N	4.47

Note: These results are from Johnson Tiles internal test reports and are to be used for guidance only.
