Elegance tiles match the look and feel of real marble. They're easier to install, clean, maintain and are much more affordable.

For more details on suitability, or advice on any technical issues, please contact our technical helpline below.

Specification

Wall	Floor	Wet barefoot	Material	Finish
Internal	-	-	Glazed Ceramic	Various

Light reflectance properties

Due to colour variance of these tiles, an accurate Light Reflectance Value and colour notation cannot be accurately calculated. For further information, please contact our technical helpline.
