

Interchangeable Locking System

ASS System Overview

- A Stop Lock
B Espagnolette Lock
- 1 Application for wooden knobs
2 Handle olive without closing function
3 Handle olive ø 42 mm, can be turned and locked (GP - Kaba and Gege)
4 Handle olive ø 36 mm, can be turned locked (GP - Gege)
5 Furniture cylinder large profile ø 24 mm (GP - Kaba and Gege)

Applications

Master key systems (can be combined with Kaba and Gege security lock cylinders)
Office furniture, school furniture
High quality furniture

Specification

Solid construction, high-quality nickel-plated surface finishes, suitable for pattern drillings of 32 mm
Can be used for right and left cases and for drawers
Rotating parts (e.g. lock hooks) are epoxy-coated
Variable lock inserts for olive handles, furniture cylinders and EURO keying
Backsets 16, 20, 25, 30 and 40 mm can be integrated with Kaba and Gege master key systems

Advantages

Lock body is pre-mounted including accessories, can be retrofitted in master keys systems (cylinder or olive).
Quick and easy replacement of the master key system without reordering cylinders
Cost-effective stock keeping of furniture cylinders increases flexibility
ASS furniture lock systems are combinable with all KABA and GEGE ASS furniture lock cylinders
