

# GXY943 Draco

Draco invites children to a challenging climbing expedition. At one end solidly fixed to the ground by a curved climbing plate offering both shelter and activity, Draco bends into the Asteroid Belt with its hanging and almost mountaineering facilities. The stabile on the other side offers a meeting place and a shaky spot all in one. The route continues through the Meteor Shower where concentration and agility are demanded in order to travel along the ropes and the multi-coloured orbs. The journey ends in a stabile with Play Shell in combination with a rocking tube and Jacobs Ladder.

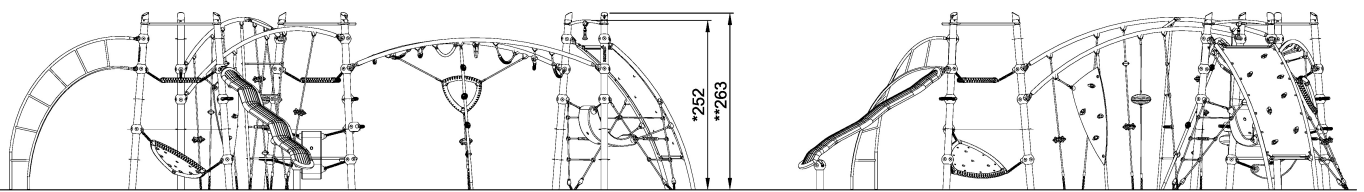

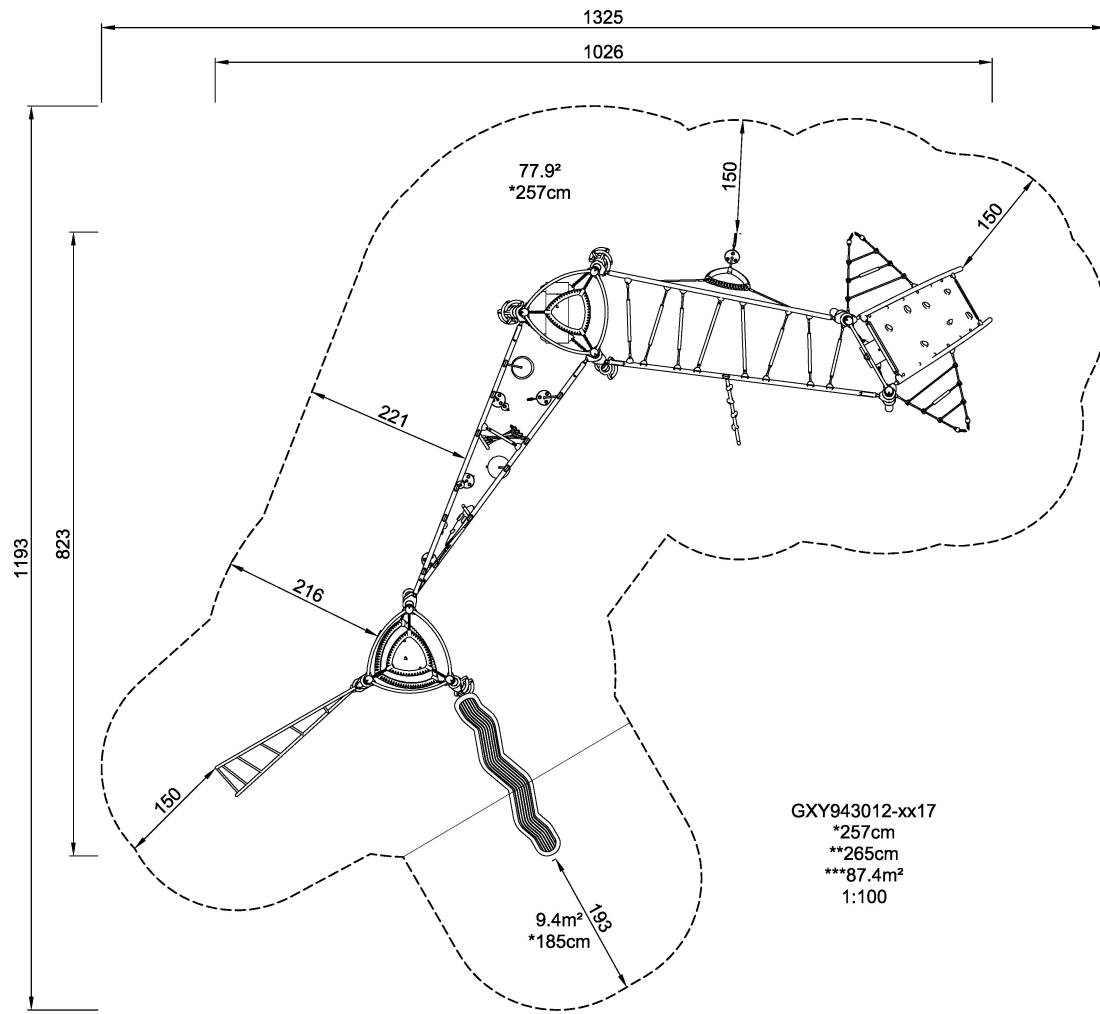

<b>Product Line</b>	Urban climbing
<b>Category</b>	GALAXY™
<b>Age group</b>	6 - 12
<b>Max. fall height (CM)</b>	257
<b>Total height (CM)</b>	265
<b>Safety Zone</b>	87.4 m2
