

COR86300

Explorer Dome

Children are invited to climb into the exciting world and discover the many challenges of the Explorer Dome. Every visit reveals a new adventure, with bridges to cross, ladders to climb and new levels to reach. Through these seemingly tangled parts, children can create their own routes - low to the ground or high in the sky. The comfortable play shell provides the opportunity to take a rest and gather new strength for the next adventure around the Explorer Dome.
