

PCM102700 Frigate ADA

Themed play just got even better with this great ship. Play activities on lower and upper deck allows everyone to play together. The manipulative and interactive components like e.g. the binocular, wheels and music panel ensure endless hours of creative and imaginative play, which support children's social/emotional and cognitive/creative development. In addition, these tactile activities support children's fine motor skills without knowing about it, as they are just having fun.
