

COR29600

Large Rope Play Tower

The Large Rope Play Tower only looks like a fixed structure from the outside; its close-mesh inner rope structure is an exciting way for children to climb to the very top. Membrane surfaces at two levels are places to take a break and the slide is the way to hurtle back to the ground. Enter the tower via the climbing bridge or climbing net.

Product Line	Corocord™ rope playground
Category	Play Towers
Age group	5+
Max. fall height (CM)	150
Total height (CM)	760
Safety Zone	70.1 m ²
