Mega Deck Tower with Upper Deck, Physical, Plastic Slides

With this unique play system, you can pack your playground full of the children's favourite play activities. You simply hand-pick them when putting together your design. The classic design makes this solution suitable for any playground environment. KOMPAN's school-age assortment is designed to provide age-appropriate play for school-age children. The assortment contains a number of standard products in different sizes, including the challenging Mega Deck play structures that allow numerous children to play together.
