

GXY936 Rigel

Spin, climb, meet, and play - the Rigel offers a bit of each. The Musca Spinner generates challenging centrifugal forces as one or more children send it spinning. The Jacob's Ladder, the Climbing Pole with Climbing Steps provides alternative ways to climb up and perch on the open rubber surfacing-coated triangle frame. Down below the Play shell offers a place to sit, lay or climb on, to watch the others or have a rest.
