Modulo Picnic Set

The Modulo timber and steel picnic set is a modern minimalist design with an unusual frame connecting the benches and table. The build features a galvanised mild steel frame with FSC-certified hardwood slats to create a contemporary seating and dining platform. The Oldham is customisable with an alternative RAL-coloured powder coating for the frame or pressure-treated softwood slats on the tabletop and bench.

Modulo Picnic Set

Picnic set made from galvanised steel SHS structure and solid wood seat

Modulo Picnic Set : 1800 x 1635 x 750

Material:

Galvanised steel with powder coated finish. Available in any RAL colour - refer to chart below. Polyester based paint, thicker than 80 microns. Resistant to UV radiation and other climate influences.

Timber:

Wooden seat element of this product can be either Thermowood, Iroko or Sapele. With the option for these to be PEFC / FSC certified. All timber supplied planed all round with 4mm radius to all edges. A2 Stainless steel screws.

Installation:

For the products installation, there are holes in the base for anchoring embedment bolts into concrete foundations laid by others. Insert 12mm threaded bolts into holes drilled into the concrete slabs and fill with epoxy resin or fast motor.

Maintenance:

Metal - Rinse thoroughly once every six months with a salt free wash and wax solution and polish with a soft clean cloth.

The powder coated finish should be inspected every 6 months for damage. Any areas where the surface finish has been compromised or removed should be cleaned of debris, and re-covered using touch up paint. Colour matched touch up paint can be purchased from Landmark or a local paint supplier. (colour ref in spec)

Timber - Manufactured entirely from carefully selected and graded hardwood. Sourced entirely from commercially managed, recognised and sustainable resources with a natural un-treated finish, to remove stains sand lightly with an appropriate grade sandpaper.

Check fixing connections every six months to ensure they are secure and tighten as required.

The wooden seat can be replaced if necessary.
