Minimalist, elegant design

Ideal for the modern home, Classe 100 internal hands free units are elegantly designed, user friendly and work on 2 wire technology that is easy to install. Available in video or audio options and also in kit version (video only), Classe 100 is the economical answer to simple, stylish door entry.

Wall mounted and table top installation

Classe 100 internal units can be mounted on the wall using a simple to mount bracket (supplied), or on the table using a dedicated accessory (the same accessory is used for the video and audio versions).
