

Arteor™_Screen 10 THE HUMAN TOUCH

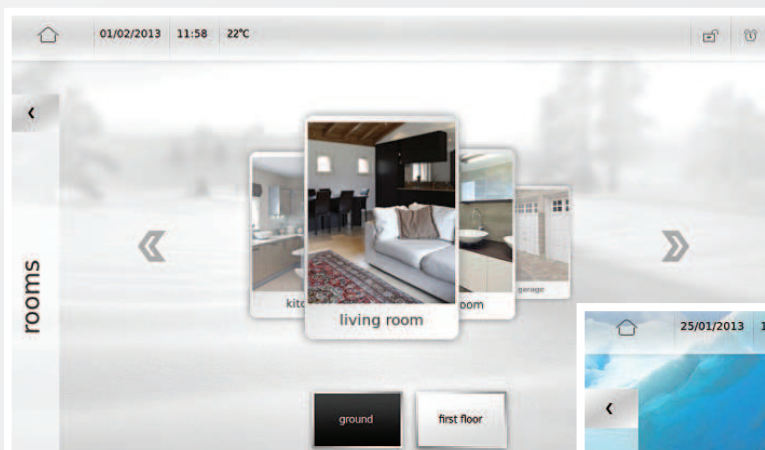

CAPTIVATING GRAPHICS

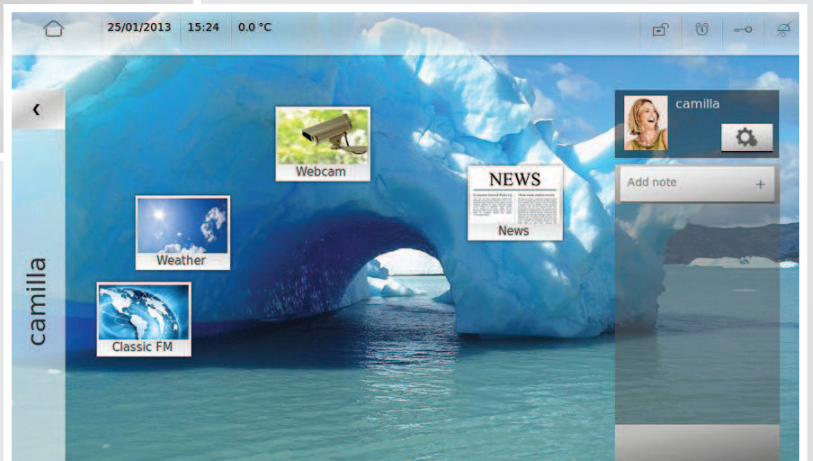

easy to navigate and fully customisable

Customise your user profile directly using the display, navigate easily among the rooms, manage and control your home.

CUSTOMISABLE PROFILES
Customise your profile and your actions to better control your home.

INTUITIVE INTERACTION
Thanks to the new graphic interface, the management of your home is simple and intuitive. You can easily navigate among rooms and control them as you prefer.

EASY TO ADAPT DESIGN

A design that adapts to your taste and style and new ergonomics available in two colours, black and white, to offer you a unique experience also thanks to the easy wall installation.

EASY TO ADAPT DESIGN
all with one single touch

An advanced device designed around the users, meeting all their many needs. It manages the electric power system, the multimedia functions (photos, audio, video), and it's always connected to the internet.

COMPLETE SYSTEM MANAGEMENT

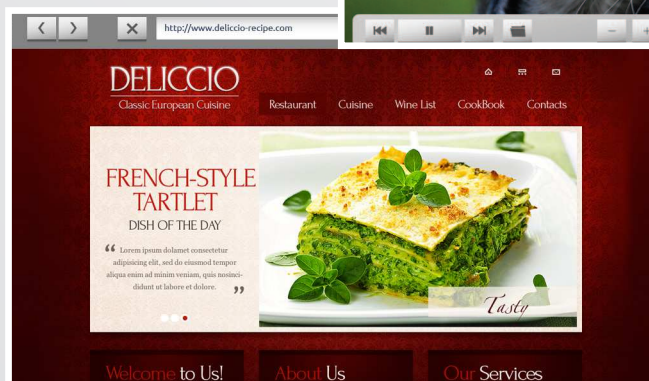

Control your home and only allow who you want in. Thanks to a simple and integrated management of all the functions: home automation, video door entry, CCTV have never been so easy to handle.

MULTIMEDIA SOLUTIONS

One single screen to make your home even more yours. Listen to your favourite music and look at your photos. The USB port and SD card slot help you manage your multimedia files.

ALWAYS CONNECTED
A window on the world to always keep you up to date. The internet connection gives you the possibility to surf the web.
