

CONSEQUENCE 2.0

Spin Off / Part Two
React / Effect

Milliken™

INSPIRED. INSPIRING.

Any single piece of a bird's nest is weak. But together, they form a constellation of tiny junctures that, as one, can withstand the strongest winds and the heaviest rain. Consequence builds upon a multitude of simple lines to form a design that is textural, dimensional and naturally refined.

Consequence Patterns

Consequence 2.0 features six coordinating designs. This brochure presents the Spin Off, Part Two, React and Effect designs. Upshot and Sequel are presented in separate brochures. The designs below are shown in the Barely There colour.
