GO

FOR⁰²

- Available in 4 colours
- Easy plant care
- Green design for indoor & outdoor

£ 138,-
Retail Price

UNIQUE POINTS

- **MAINTENANCE-FRIENDLY** The water supply of the LivePicture GO is sufficient to provide the plants with water for at least 4 weeks. Due to the capillary effect of the plant cassette, the plants are supplied with the right amount of water.
 - The smart full and empty indicator indicates when water is needed or when the watertank is full.
- **SIMPLE SYSTEM** No specialist knowledge required for assembly and planting.
- **LIGHT IN WEIGHT** ± 5 kg including plants and water.
- **FREEDOM IN PLANT CHOICE** The interchangeable plant cassette is equipped with 2 plantpockets that can accommodate a total of 6 plants
 - Winner of the Red Dot Design Award 2018.

DIMENSIONS	: 51.6 x 51.6 x 11.2 cm (L x H x D).
COLOURS	: White Grey Red Black (Other colours available: Please ask for the options).
MATERIAL	: Frame: ASA. Plant cassette: EPP (Expanded Polypropylene).
WEIGHT	: 2.7 kg excluding water and plants. ± 5 kg including water and plants.
MAINTENANCE	: Clean the frame with a soft micro cloth and non-aggressive soap. Use of aggressive cleaning agents is not recommended.
PLANT CASSETTE	: The interchangeable plant cassette is equipped with 2 plantpockets that can accommodate a total of 6 plants (3 plants per slot) of 9 cm pot size (P9).
WATERING	: 2 litre hand-fillable water tank. The water tank is equipped with an empty and full indicator. Works without electricity, drainage or water connection.
INSTALLATION	: Supplied with an installation template, instructions and materials.
APPLICATION	: For indoor and outdoor use.
SUGGESTED PLANTS	: House plants, herbs, succulents, grasses.
