

Landmark Slate 10

With their clean lines and natural, long lasting colour, Landmark 10 Slates capture all the appeal of Britain's dominant roofing material. Each tile incorporates subtle colour differences to replicate the variations typical of natural slate while offering a single nail fixing and low minimum pitch for maximum flexibility and performance.

47 BRECON GREY

KEY ADVANTAGES

- Redland ColourFusion™ coating process provides authentic slate appearance
- Thin leading edge, low profile tile with hidden interlock
