

M-Tred Floor Cleaner

Technical Data Sheet

May 2010

1 Product Description

Muralplast M-Tred Floor Cleaner is an industrial floor cleaner that effortlessly removes oils, greases, dirt and debris from floors, walls, plant, machinery and the like.

2 Properties

- Non-hazardous containing no aggressive alkalis, silicates, solvents, phosphates or harmful biocides
- Leaves no smears or residues after rinsing
- Safe to use on concrete, quarry tiles, plastics including vinyl, ceramics, rubber, glass, enamel, metals, painted surfaces and the like
- May be used after the use of proprietary tyre mark remover during the remedial cleaning of painted floors
- It is a golden liquid completely soluble in water

Coverage Rate	Drying Time	Pack Sizes
N/A	N/A	5 and 20 litres

3 Application

3.1 Automatic Machines

- Dilute 1 part product in 50 parts water and add to the tank of the automatic floor cleaning machine. Make the first pass of the machine without using the vacuum, allowing the product additional contact time with the floor. On the second pass, scrub floor and recover waste water as usual.

3.2 Pressure Washers

- Use at the rate of 1 part product in 30 to 100 parts water through medium or high pressure washer. Product may be applied at low pressure and then removed with high pressure if required.

M-Tred Floor Cleaner

4 Storage and Handling

Protect against frost.

Where product has been stored in cold temperatures, leave to reach ambient temperature prior to use.

Handle in accordance with good industrial practice - no special precautions required with product alone.

5 Disposal

Contaminated product and/or rinse water should be disposed of in accordance with local regulations.

9 Health & Safety

M-Tred Floor Cleaner should not cause any health and safety issues when used in accordance with the recommended instructions.
