

# PRO BOARD SHOWER TRAYS

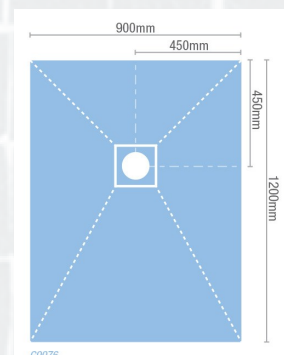

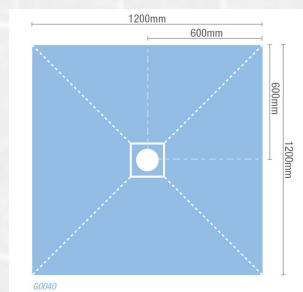

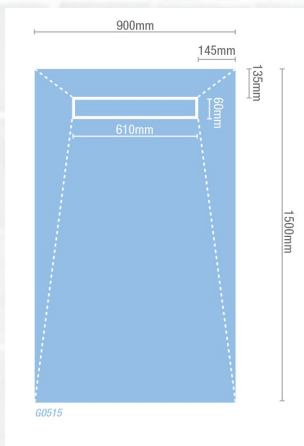

## High Performance Ready to Tile Thermal Shower Trays

- ◇ Energy Saving
- ◇ Lightweight
- ◇ Class '0' Fire Rating for Surface Spread of Flame BS476, Parts 6 & 7
- ◇ Tile Ready Surface
- ◇ Underfloor Heating
- ◇ High Compressive Strength & Impact Resistance
- ◇ Excellent Thermal Insulation Properties

High performance construction/tilebacker boards manufactured from high density polystyrene which is coated with a specially formulated reinforced cementitious coating that provides a hard wearing robust waterproof surface perfect for the application of tiles. The trays have inbuilt falls to the drain location. The drain assembly on the standard trays incorporate an easily removable hair trap and provide a 50mm water seal. They include a stainless steel grate which can be raised to the height of the tiles. The unique drain fitting aid ensures trouble-free installation of the drain system. The trays are available in over 25 different standard sizes and configurations, additionally bespoke trays can be manufactured to suit site specific sizes and drain outlet positions.

Tray thickness & Drain Configuration	Compressive Strength (10% Compression)	Thermal Conductivity To BS EN 13164 (5 years)	Water Absorption By Volume tested to BS EN 12087	Density (foam core only)	Temperature Range	Fire Performance
30mm Linear Drain 20mm Centre Drain 20mm & 25mm Offset Drain	300 kpa	0.033 W/Mk	0.6%	36kg/m <sup>3</sup>	-50°C to +75°C	Class 0 (BS 476 part 6.7 Surface spread of flame)

# PRO BOARD SHOWER TRAYS

## 20mm Centre Drain

Product ID	Tray Size	Tray Thickness	Drain Position	Fall to Drain
NRG0010STRAY001	800mm x 800mm	20mm	Centre	-11mm
NRG0020STRAY001	900mm x 900mm	20mm	Centre	-11mm
NRG0030STRAY001	1000mm x 1000mm	20mm	Centre	-11mm
NRG0040STRAY001	1200mm x 1200mm	20mm	Centre	-11mm
NRG0050STRAY001	1500mm x 1500mm	20mm	Centre	-11mm
NRG0072STRAY001	800mm x 1200mm	20mm	Centre	-11mm
NRG0075STRAY001	900mm x 1200mm	20mm	Centre	-11mm

## 20mm & 25mm Offset Drain

Product ID	Tray Size	Tray Thickness	Drain Position	Fall to Drain
NRG0060STRAY001	1000mm x 1000mm	20mm	Corner	-11mm
NRG0080STRAY001	1000mm x 1200mm	20mm	Offset	-11mm
NRG0090STRAY001	1200mm x 1200mm	20mm	Offset	-11mm
NRG0070STRAY001	800mm x 1200mm	20mm	Offset	-11mm
NRG0076STRAY001	900mm x 1200mm	20mm	Offset	-11mm
NRG0100STRAY001	800mm x 1500mm	25mm	Offset	-16mm
NRG0110STRAY001	800mm x 1800mm	25mm	Offset	-16mm

## 30mm Linear Drain

Product ID	Tray Size	Tray Thickness	Drain Position	Fall to Drain
NRG0510STRAY001	900mm x 1200mm	30mm	Linear Offset	-20mm
NRG0515STRAY001	900mm x 1500mm	30mm	Linear Offset	-20mm
NRG05205STRAY001	900mm x 1500mm	30mm	Linear Offset	-20mm

**Fixing:** Full fixing instructions are available in our fixing guide or on the installation video available on our website.

### Note

**Norcros Pro Board** can be affected by atmospheric conditions which can cause them to warp slightly prior to installation. If this occurs they can be straightened by applying minimal hand pressure. This correction will not affect the performance of the boards. All information is given as guidance and if adhered to will perform as intended. The boards are fully guaranteed but as we do not have knowledge of site conditions and capability of the installer, we cannot accept liability for damage which may arise as a result of installation.

### Technical Advice

For advice on tile installation products call **Norcros Technical Helpline** on **01782 524 140**
