Task Seating

Technical Document

Full statement of line including model codes, up charges and standards.

As shared work-spaces become increasingly common, office environments need to be more versatile than ever before & our seating more easily adaptable to multiple users.

Seren redefines the levels of quality, comfort and ease of use you can expect from entry level task seating.

Packaging Options

By simplifying the chairs design and assembly, we are able to offer additional packaging solutions which can reduce environmental impact and

delivery costs. A partially assembled chair can be shipped using half the volume of a typical chair box.

Standards

Chair range designed to conform to the following British, European & American Standards.

BS EN 1335 - 1 : 2000

Office Furniture – Office work chair: Parts 1, 2 & 3
