Parallel Lines and Reflections

Tufted Pile Carpets

Paragon A Division of National Floorcoverings Ltd produce a range of tufted carpets suitable for office and commercial areas, colleges, education and public sector residential.

Parallel Lines and Parallel Reflections Collection

A range of 7mm thick tufted loop pile carpet tiles manufactured with 100% Solution Dyed BASF Zeftron 2000 Nylon. Designed for use in most building situations, it is particularly suitable for commercial and leisure use, and other heavy contract applications, including computer rooms. Parallel Lines and Reflections are each available in five colourways.

Parallel Lines and Reflections is also available in tile with a recycled cushion backing.

Consult Paragon Ltd for technical literature and to obtain samples.
