

Holchem Laboratories Lancashire

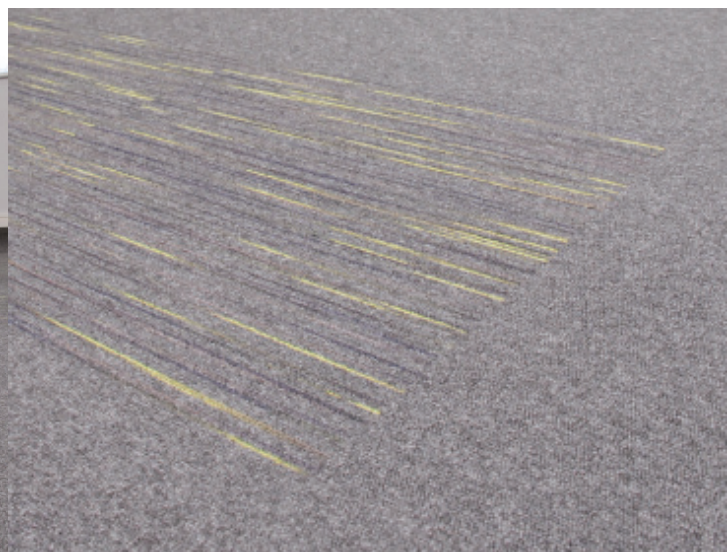

1500m2 of Strobe and Strobe Fusion Grey

Walmersley Carpets chose to use Paragon as our supplier for the work we carried out at Holchem Laboratories for many reasons.

The main reason was our Area Sales Manager Matt Lightbown, he was extremely knowledgeable in the product ranges therefore finding us the most suitable product at the best price.

The products themselves we're excellent value for money, had a fantastic colour range and is all manufactured in the UK. We would have no hesitation in recommending Paragon products to any of our customers.
