

Cylinder

Cylinder

Adaptable for wall, ceiling and recessed applications the cylinder styling sits equally comfortably in contemporary and heritage environments. Chrome, satin, brass, powder coated and antiqued finishes all complement the unmistakable design of the Cylinder range.

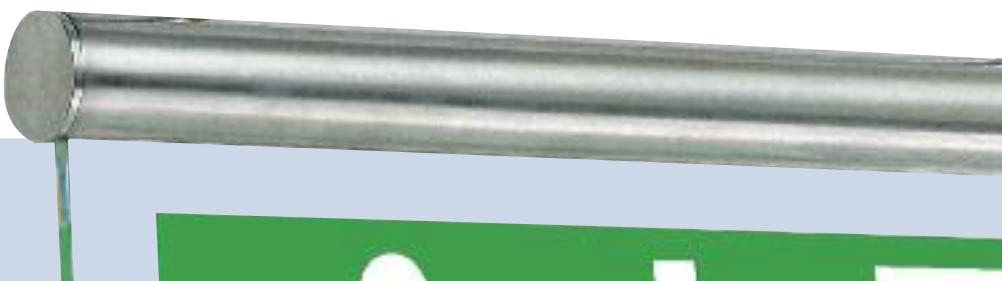

A choice of recessed, semi cylindrical or square gear housings can be first fixed - pre wired arm kits and legends can be fitted later. Cantilever and low profile options are also available for less conventional fixing solutions.

CONSTRUCTION

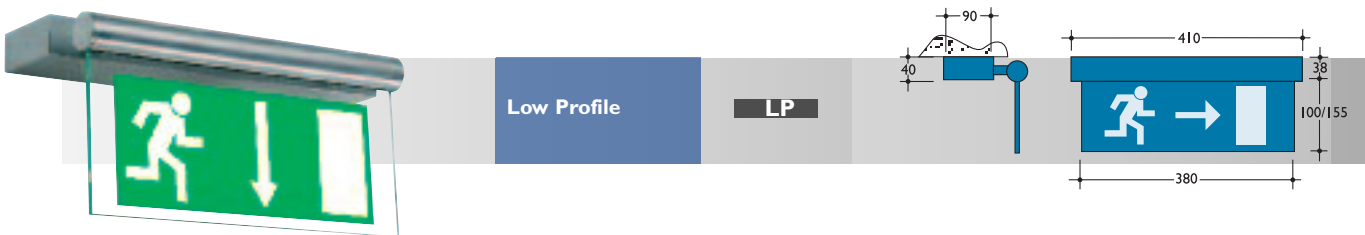

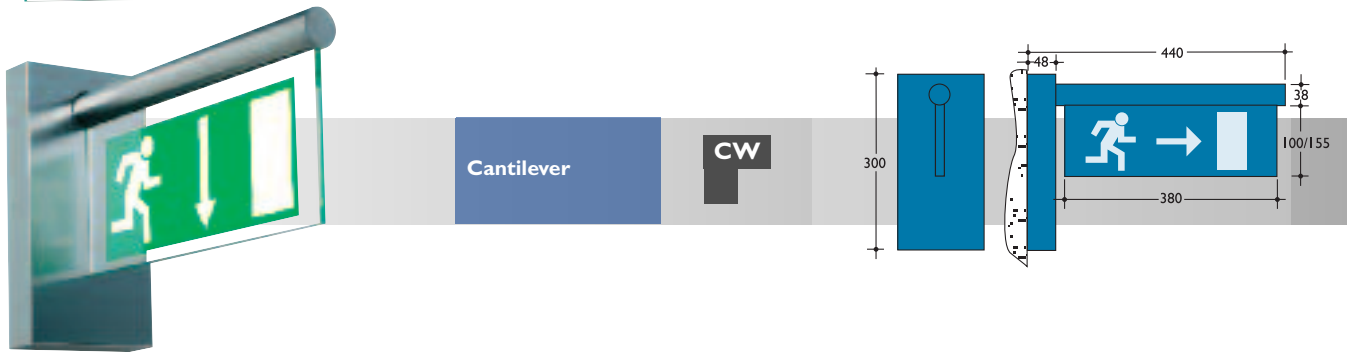

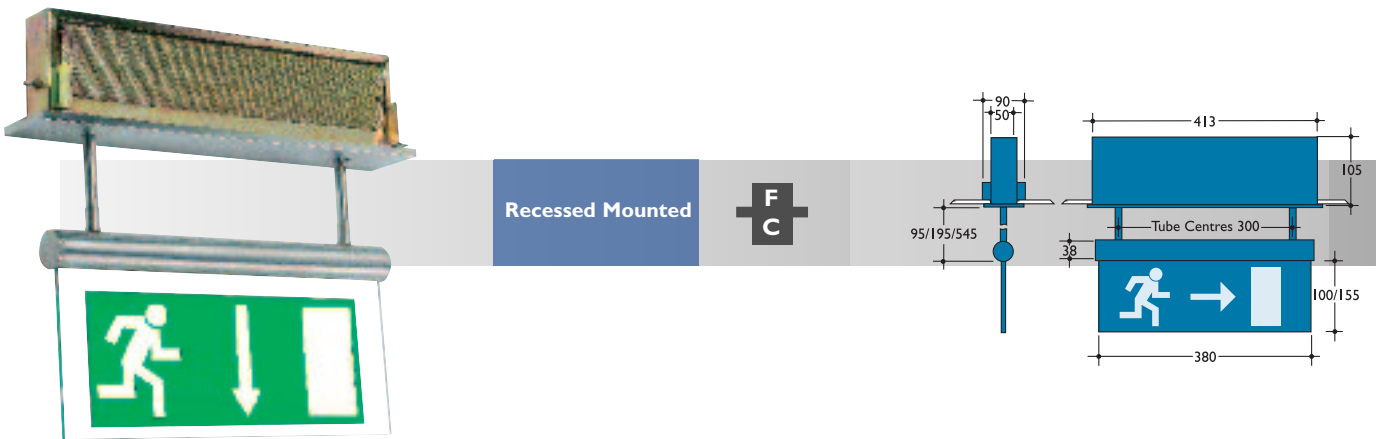

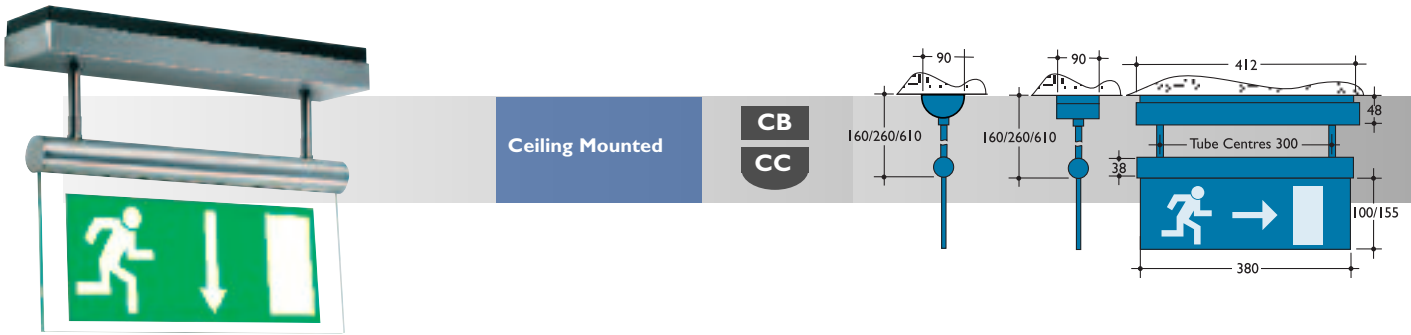

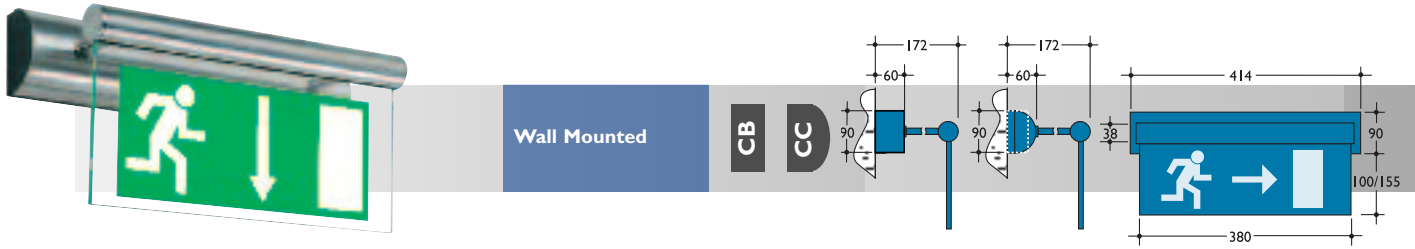

- EN60598-2-22
- CE marked
- LED option
- DALI option
- Universal gear housing styles
 - **CB** Square Box
 - **CC** Semi Cylindrical
- Pre wired standard arm kit options
 - 50mm / 150mm / 500mm
 - Feature style: Coventry arm
